

OAK TREE LIMB FALLS: BLOCKS ROAD TRAFFIC

A huge limb from an oak tree crashed from an embankment onto Dry Creek Road with a thundering sound Monday evening and blocked traffic there for nearly two hours. The crash was just west of Leigh avenue toward the San Jose-Los Gatos Road.

Home-owners hearing the crash were quick to act in setting up a battery of flashlights to halt traffic. A county crew removed the debris Tuesday after the road was partially cleared by volunteers.

No one was hurt and no cars damaged as a result of prompt action by nearby residents.

CITY HIRES NEW POLICE OFFICER

Darrel Rachford, 30, with 22 months police service has been engaged by Police Chief Robert Locke, as patrolman effective as soon as his release from the government service at Herlong is confirmed. The city council on Monday night approved the employment after reviewing his qualifications and very favorable recommendations from past employers.

Rachford is married and has three children. He came originally from Modesto, but in high school was well known in athletic circles on the Peninsula especially as a football player. Chief Locke said yesterday that he felt Rachford would be a credit to the department because of his experience and his pleasant personality.

Atomic Radiation Effect On Food Told Rotarians

At the regular weekly luncheon of the Campbell Rotary Club on Monday, Paul Wilbur, vice-president of Chemical Research of Food Machinery Corporation, spoke on "Modern Methods of Food Sterilization", with particular reference to Atomic radiation and how it affects food.

Emerson Arends, chairman of the International Service committee, read a letter of thanks from the secretary of the Rotary Club of Parma, Italy, concerning a project proposed by the Campbell Rotary. The idea, suggested by Mario Saia, was the distribution of good, old clothes to be sent to small towns in the vicinity of Parma. The Parma Club assured the Campbell Rotary of their full cooperation with this new project.

Chairman of the day was Bill Maderis.

Billy Jones Train To Run Sunday For Cambrian Project

Billy Jones' miniature "Wildcat" railroad, located on the corner of Winchester Road and Daves Avenue, near Los Gatos, will run again Sunday October 3rd, from 2 to 5 p. m., under the sponsorship of the Couples Club and Square Dance Class of Cambrian Park. Donations for the rides will go into funds for the Cambrian Park Youth Center.

The miniature railroad, built by Billy Jones as a hobby, is well known in this area and also up and down the peninsula.

The public is cordially invited to attend.

Final Report Ready Soon

CAMPBELL TRAFFIC SURVEY TO SET ZONING PATTERN

The final tabulation of the gigantic city-wide traffic survey made here on April second entered its final phase yesterday with some 30,000 tabulated cards being turned over by the local committee to the IBM company for final tabulation by electronic mediums.

Data from the survey will supplement information from other sources for a report to business men, educators, industrialists and others who are concerned with the future growth and prosperity of Campbell.

When the count was made in April, some 200 civic-minded citizens including students and faculty from the Campbell High School gave freely of their time, following which civic organizations offered help in sorting, compiling and interpreting the information. Nestor Barrett, planning consultant for the city, said the cost for these services to the city and taxpayers would have been close to \$10,000.

Homer Hyde, secretary of the Planning Commission was general chairman of the survey. The classification of cards was undertaken by two organizations with many hours of work done by them in the conference room of the Campbell Grammar School.

Community Service Fund Drive Starts Today

Directors of the Campbell Area Community Service Fund voted Monday night to accept the agreement as presented by the United Givers Plan. Under this agreement, the United Givers county-wide industrial solicitation organization will match the Campbell residential drive proceeds by twenty percent. Thus, the people living in the area to be covered have an added incentive in giving this year.

Dr. W. B. Morell, Campaign Manager, and Mrs. Harry Story, Vice-Chairman, announced at the briefing session held after the board meeting that plans were complete for the drive which starts this morning. There were approximately 150 volunteer solicitors and workers present to receive their final instructions and materials.

In addition about 50 boys from the Campbell Y. M. C. A., under supervision of Larry Newberry, will help in the fund raising campaign.

The fund quota of \$19,600 covers requests from nine different organizations and they are: Boy Scouts, Girl Scouts, Y. M. C. A., Campfire Girls, United Defense Fund, Family Service, Visiting Nurse Association, Campbell Library Fund, Milk and Lunch Fund for Union, Moreland, Campbell and Cambrian schools.

STAR CIRCLE NIGHT

Star Circle Night will be the theme of the meeting of the Campbell Chapter, Order of Eastern Star, when it meets tomorrow night in the I. O. O. F. Hall.

Chairman of the evening will be Mrs. Lawrence Hendricks and Mrs. R. A. Kelly. All members are urged to come and enjoy a pleasant evening.

HENLEY NAMED LT. GOVERNOR FOR KIWANIS

William C. Henley, superintendent for the Campbell Union School District, was nominated for the office of Lieut.-Governor of Division 12 for the California-Nevada-Hawaii district on Tuesday night when Division 12 directors

met at the Red Coach Inn. Nomination will be followed by his election at the District convention at Reno, Oct. 18-20 when more than sixty members and wives from the Campbell Kiwanis Club will be present. The Campbell Quartet is on the convention's entertainment program.

Henley has been a member of the Campbell Kiwanis Club for ten years and in 1950 served as its president. He is to succeed Gifford Soboy of Los Gatos in office. The meeting Tuesday was presided over by Marion Gates, immediate past Lt. Governor.

FREEWAY BIDS CALLED BY STATE

Sealed bids are to be opened October 25 for Route 5 freeway from Saratoga Avenue to the south city limits of Los Gatos according to word from the State Division of Highways. This is to be the second link in the four lane freeway which eventually will extend through the easterly limits of Campbell, passing over Campbell avenue with clearance for a four-lane road and walkways, and going under Hamilton avenue where a four lane interchange is to be built.

Crowded Schools

'Yes' Vote Is Needed Thursday

Because of the continued growth of the Campbell schools presenting a continued building problem, an all-out effort was being made today by the school board and staff to have a successful vote next Thursday on the \$950,000 bond issue.

William C. Henley, district superintendent points out that the first \$49,000 of this will be put with \$350,000 of State funds to build the new Monroe school, the additional funds from the bonds to be used for needed additions to the Dover, Quito, Cypress and Cherry Lane schools and elsewhere in the district as needed.

"These bonds will not be sold at one time, but they will carry over a two to three-year period. The tax change because of this bond issue will be very slight and will cost the average home owner less than one cent per day," Henley stated.

A two-thirds vote is necessary to carry if the district is to get the \$350,000 allocation from the state and be in a position to build the Monroe school.

Schools in the district have increased enrollments by 500 students over a year ago.

BUDGET STUDY ON HIGH SCHOOL PTA AGENDA MONDAY

The Executive Board of the Campbell Union High P. T. A. will hold its first meeting of the fall term in the home of Mrs. Leonard Merritt, 143 Brookside Lane, Monday evening, Mrs. Dan Caputo will present the budget for the coming year for approval by board members.

Extension Courses For Teachers Here

Employed teachers and prospective teachers in the Campbell area especially may be interested in two courses being offered in Campbell by the Extension Service of San Jose State College.

Evening classes in crafts for the Elementary School and Teaching of Social Studies will be given during Fall Quarter.

The course in crafts is designed for teachers who are not specialists in art, and will aid the student techniques and skills useful with limited classroom equipment. David Donoho, associate professor of art will be coordinator for the course. Other members of the San Jose State College Art Department faculty will participate in specialized portions of the course. The class will meet Thursdays from 7 to 10:45 p. m., beginning Oct. 7, at Hamilton School.

The social studies class, which will meet at Campbell Grammar School on Wednesdays from 7 to 10:45 p. m., will be instructed by Mrs. Ruth Bradley, assistant professor of education. First meeting will be held Oct. 6. The course will include an analysis of recent research in the social studies curriculum.

CAMBRIAN 4Hers WON FAIR AWARDS

Cambrian 4H Club extends an invitation for prospective members to attend their meeting Friday, October 8, at 7:30 p. m. in the Cambrian Park Youth Center on Casey Road.

A county 4H Club Advisor, either George Shambrook or Miss Aloha Ohm, will be present to tell of the various projects a club member can undertake.

The Cambrian 4H Club is happy over winning first prize for booth exhibit at the recent Santa Clara County Fair and the many members who received prizes for individual entries. The presentation of the awards will take place at the October 8th meeting.

Anyone between the ages of 10 and 21 may join.

GROUND-BREAKING Ceremonies last Sunday afternoon attracted more than 250 people who came with shovels to the site at Winchester Road and Latimer avenue, where the new building of the First Methodist Church is to be erected. Leading the ceremonies above are, left: Dr. John R. Wilkins, superintendent of the San Jose District Methodist Church; the Rev. Herbert Neale, pastor of the Campbell Methodist Church, and Dr. Donald H. Tippet of the San Francisco area of Methodist Church. Dean Chamberlin, building committee chairman, said some 175 semi-skilled and skilled craftsmen in the building trades have volunteered to work with the contractor. Harold Toy has been in charge of the clearing of the land.

Council In Busy Session

CITIES FAVOR PRIORITY SAN TOMAS AQUINO FUND

Establishment of the centerline on Campbell avenue for the four lane span of Route 5 freeway, voluntary reduction of parking space for the Peerless stages on Campbell avenue, tri-city endorsement of priorities for San Tomas Aquino flood control, drainage plans for a new 84-acre annexation west of Campbell, adoption of the bicycle ordinance and the proposed reduction

of speed limits on East Hamilton avenue were the important matter before the city council Monday evening with Councilman James Arends acting as Mayor pro-tem.

The state division of highways seeking to locate the Campbell avenue centerline so as to prepare blueprints, had been advised by City Engineer Mark Thomas that at the creek bridge the slidings are 35 feet north and 20 feet south of the center line and council agreed this may be protracted to the freeway as the centerline where a span will be made to allow for four traffic and two pedestrian lanes.

Representative of Peerless lines said greater parking spaces are granted them in other cities than in Campbell but they will yield 18-feet on the north side in front of the barbershop, space which LeRoy Black, superintendent of Public Works said would be sufficient to allow for parking one more car. He said Centerville allows 75 feet on each side of the road, Niles 260 feet, San Leandro 280 and Fruitvale 140 and 135 feet while Campbell grants 84 and 65 feet. The proposed space change was taken under advisement until the return of Mayor Richard Morton who also serves as traffic engineer.

Police Chief Robert Locke recommended a speed limit of 35 m. p. h. be set on Hamilton avenue from Leigh avenue to the San Jose-Los Gatos road, this also being referred to the traffic engineer for study.

Mark Thomas, city engineer reported that at a recent meeting of the North Central zone group of the Santa Clara County Flood Control district, representatives of Sunnyvale, Santa Clara and Campbell seemingly were in favor of first priority rating for the upper San Tomas Aquino Creek for flood control monies.

Council voted to continue to October 11 the hearing on proposed annexation of the 84-acre Amato-Bellicetti properties so that the developers may submit drainage plans in keeping with the city standards. Charles Nolte, engineer for the developers indicated a 24-inch surface drainage ditch would be adequate to carry the water to the creek, and that the initial development was to be on the westerly portion away from the creek. He said bond cost for drainage security in other cities is \$50.

Thomas told of arrangements made by smaller subdividers and said there might be two ways to handle this project, (1)—By cutting drainage area to San Tomas avenue and south three quarters of the way toward Campbell avenue, and (2)—Use open ditch along

Latimer until permanent structures are set up and putting up \$150 performance bond.

There was some difference of opinion on this and both engineers agreed to work out a plan in time for the next meeting so the annexation can proceed. A spokesman for developers also said their interest may be to further extend annexation area possibly to Saratoga Road at a future date.

The bicycle ordinance was adopted setting up registration and transfer fees, traffic regulations and rules for impounding bicycles. Complete ordinance is published on page 4.

The department of public works was authorized to proceed with covering a dry well which had collapsed on the lawn of a home on McBain avenue.

Moreland Election Goes Over

At the election yesterday in the Moreland school district, approval was given for the district to accept the \$300,000 loan from the state to provide for building a six-classroom new school at San Tomas and Bucknall Road to be known as Escuela Las Palmas.

Classrooms now overcrowded at Moreland and El Quito Park schools will be relieved by the new school.

The vote was 326 yes and 33 no, a 10 to one majority. At the Moreland School the vote was 141 yes, 17 no while at El Quito Park the vote was 185 yes, 16 no.

Moreland Board Supports School Camping Project

Moreland Board of Trustees met on September 22nd at the El Quito Park School with all trustees and administrators present. Mrs. Bertha Hoagland represented the faculty.

Mrs. Alice Smith was hired as a full time bus driver. The trustees are interested in contacting members of the community who would like to act as emergency bus drivers. Anyone interested should get in touch with the District Superintendent, Mrs. Gussie M. Baker.

The board voted to support the school camping program as it is board policy to encourage all 6th grade children in the district to participate in this activity. Moreland classes are to go to Camp Campbell during October. Teachers who will accompany their classes are Mrs. Elaine Kelley, Mr. Cecil Cox and Mr. Robert Brodie.

The next regular meeting of the board will be held October 12th, the second Tuesday of the month, in the El Quito Park School at 8:00 p. m. The public is always welcome at all trustees meetings.

Visitors present at the meeting were Mrs. Sekul Spaich, Mrs. Vincent Periantri, Mrs. Dean Purdy and Mrs. Clyde Remley.

Nestor Barrett On Planner Panel At National Meet

PHILADELPHIA, Sept. 28—Nestor Barrett, Campbell City Planning Consultant, took part today as a member of a four-man panel on the topic "New Communities—Lessons to be Learned" as part of the Annual National Planning Conference being conducted here by the American Society of Planning Officials.

Other members of the panel were: Harry Walker, Department of External Affairs, Ottawa, Canada; W. H. Whyte, Jr., Assistant Managing Editor, Fortune Magazine; Harold Orlans, National Science Foundation, Washington, D. C.

Barrett is a member of the San Francisco Bay Area Rapid Transit Commission, which is presently preparing the first comprehensive regional plan of the nine-county Bay area.

Gil Krug Sustains Loss Of Finger Tip

Gil Krug, local mortician, sustained loss of two finger tips Monday evening when putting feed in a cutting machine for one of his boy's animals. He is at home and reported doing nicely. Mr. Krug is a member of the firm, Darling-Fischer-Krug Mortuary at 151 E. Campbell Avenue.

HIGH RATING FOR HOSPITAL SCHOOL

The Santa Clara County Hospital School rates among the top six in the state according to findings of a recent survey made by the California Teacher's Association.

The program is conducted by the Campbell High School district twelve months of the year, using six full time teachers, according to a report from the Santa Clara County Tuberculosis Association.

HAZARDS OF DRY WELLS

The City Council acted promptly and wisely on Monday night in directing immediate correction of the hazardous hole caused by the surface cave-in of a dry well on the property of a home on McBain avenue. The hole was within a few steps of the path leading to the Dover School. LeRoy Black, City Superintendent of Public Works, had set up an emergency barricade, then reported to the council, whose directive was to set up flares immediately and have the hole taken care of the next day.

The protection of children against hazards of abandoned wells, old cesspools and bins is everyone's responsibility, and they should not knowingly be left to deteriorate to the point of collapse. In this instance the home owner had no knowledge of the presence of a dry well.

FREEDOM OF THE PRESS

For one whole week starting tomorrow, the nation is to observe newspaper week. It reminds the free American Press that its freedom was hard won and that it must never be taken for granted. President Eisenhower and Governor Knight have proclaimed newspaper week contending that a good newspaper operates on the theory that an informed public will be an alert public.

Newspaper Week, with emphasis on freedom of information as being vital to the American System, belongs as much to you as to the hometown newspaper.

WORLD SERIES

The World Series in a serious world is always a welcome oasis of excitement and pleasure.

Taxes, tension and trouble somehow seem less overpowering when the big event is holding the spotlight.

The New York Giants finished 35 games off the pace last year. What a comeback they've made. And the Cleveland Indians, the first to upset the Yankees after five long years, have done it the hard way by hanging up a record number of victories. Actually, the Yankees have won more games this year than last, or in most any year for that matter, but the Indians have simply done better.

These ingredients will make for a tremendous series.

EMERGENCY BRINGS ACTION

Last Sunday night on Dry Creek Road, just east of the San Jose-Los Gatos Road, a large tree overhanging the road let go with a rending crash heard all around the neighborhood of Arroyo Seco Manor. Lights popped on, exclamations of "What was that?" were heard all over. Those residents along the road rushed hurriedly out to survey the damage. Fortunately, traffic was light at the moment, no wires were knocked down, and no damage done, although the tree blocked the entire width of the road.

However, motorists are in the habit of driving at a good clip along the road, and were it not for the fact that alert neighbors placed flares almost immediately after the falling of the tree, a severe wreck could very easily have happened. We wish to commend these people for their prompt action and for posting a temporary roadblock until the Highway Patrol arrived. This is the kind of action that makes one realize that a real emergency brings out the best in people's actions.

SAFETY BELTS FOR MOTORISTS

One of these days motorists may be required to wear safety belts like those used successfully by highway patrolmen near Redlands. This is a thought expressed by their Patrolman Dale Pence, and it may be a good one.

The belts are of wide nylon webbing, fastened to the floor of the car behind the seat. The large buckle makes them easily detached. The belts prevent passengers from being thrown into the dashboard or the windshield in case of an accident. Highway officials say that if used, the belt will eliminate as high as 85 percent of accident fatalities.

COLOR TV

Television manufacturers expect 10 million color sets to be sold in the next five years. And they estimate that no less than 350,000 will go into homes during the balance of 1954.

But the big volume of sales will not be at the present high figures. People want color TV at a reasonable price. The television industry wants to sell to them. You can be sure there will be a "meeting" between the two desires before very long—and in a big way.

FIRE PREVENTION WEEK

Californians who are accustomed to pleas to prevent forest and range fires will hear a different fire prevention plea next week, (October 3-9) which has been designated as National Fire Prevention Week.

National Fire Prevention Week is designed to start people thinking and doing something about cleaning up those accumulations of trash which are fire hazards, and doing all the thousands of other things necessary to assure a maximum of fire safety.

If everyone will take as much care to eliminate fire hazards and be careful with fire around the home, office and factory, as they are now being careful in forests and rangelands, the national loss of life and property from structural fires will be markedly reduced.

Danville Acres Bought For Big Development

Development of a complete new community near Danville looms today with the purchase of the historic Thomas H. Bishop holdings by a group of investors headed by Harry Jaffe of Los Angeles. It will be known as Warren Park.

On an 1876-acre site will be constructed a model community with churches, schools, a 100-acre regional shopping center, parks, and recreational facilities. More than 9000 single-family residences are to be constructed, it was disclosed.

The announcement stated that Warren Park will be modeled after Lakewood, whose record population total has attracted national attention and is described as the newest city to be incorporated in California.

Further stated was that the Thomas H. Bishop Co. of San Francisco holdings comprised two ranches—one to be developed as Warren Park and a 4000-acre Santa Barbara ranch, known as Corona del Mar Ranch, which is to be sold, as the syndicate plans concentrating on the development of the \$150,000,000 Warren Park development.

"It is our intention to build in this setting an ultramodern, smart and livable community of three and four-bedroom homes for GIs and non-GIs," said Harry Jaffe.

Henry W. Robinson, San Francisco attorney, represented the buyers in this \$4,302,000 purchase.

PROCLAMATION

The perpetuation of a free press is a guarantee of human liberty and personal freedom in our beloved land, for as long as our press is unfettered, we are free. The sovereignty of the people and freedom of the press are inseparable. When either is subjugated to tyranny or oppression, the other perishes.

A wise man once said, "Let it be impressed upon your minds, let it be instilled into your children, that the liberty of the press is the palladium of all civil, political and religious rights." In view of our constitutional guarantees of human liberty and personal freedom in this great Republic, this is a reassuring thought.

However, we must all be diligently alert and uncompromising in opposition to any attack upon this bastion of our precious liberties. A shackled and enslaved press not only would deprive us of a guiding light for the security and progress of our way of life, but would constitute a dangerous will-of-the-wisp which could be used to decoy our people to disaster and destruction.

Contemplating these basic truths, I, Goodwin J. Knight, Governor of California, proclaim the period of October 1-8, 1954, as NEWSPAPER WEEK in our State and urge the people of California to take advantage of every opportunity offered to gain greater appreciative understanding of the important contributions which newspapers and the men and women who serve on their staffs have made and are making to "life, liberty and the pursuit of happiness" in our communities, our State, and our Nation.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 10th day of September, A.D., One Thousand Nine Hundred and Fifty-four.

Chrysler Expands Selling Program

In a major expansion of its sales force, Chrysler has organized four new national sales divisions and appointed sales managers for each to spark the Division's continuing drive for increased sales.

E. C. Quinn, president, Chrysler Division, Chrysler Corporation, said the move continues Chrysler's long-range organization-building program designed to give dealers maximum assistance at the retail sales level.

"We intend in the coming year to give Chrysler's 3,200 dealers from coast to coast more sales and merchandising help at the retail level than has ever been offered by any automobile manufacturer to its dealer body", Mr. Quinn said. "To this end during the past year we have steadily improved and expanded our field sales force and the creation of national sales divisions will further enable us to give concentrated assistance to our aggressive and forward-looking dealer body."

E. M. Braden, Chrysler general manager, announced that the four new divisional sales managers will be Maurice J. Harris, who as Eastern sales manager will headquarter in New York City; Walter E. Foraker, Central sales manager, who will headquarter in Detroit; C. R. Curtan, Mid-Western sales manager, with headquarters in Kansas City and Charles B. Neely, Far-Western sales manager headquartering in San Francisco.

From the Cambrian Park District Mrs. C. W. Lippert of 14451 Esther Drive sends us two of her favorite recipes. One a low cost main dish, the other an easy to fix party dessert.

MOCK SCALLOPED CHICKEN

1 1/2 lbs veal shoulder
1/2 lb pork shoulder
1/2 package broad noodles
3 tablespoons of flour
Bone and dice veal and pork. Place in 6 cups boiling water, adding 1 teaspoon of salt. Simmer until meat is tender, or about 3 hours, adding water as needed. Add 1/2 package of noodles, cook 10 minutes. Drain and measure broth, adding enough milk to make 3 cups liquid. Thicken with 3 tablespoons of flour, salt and pepper to taste. Mix sauce with noodles and diced meat, reserving 1 cup. Place in a greased baking dish, spread remaining sauce on top. Bake 45 minutes at 350 degrees. Serves 6.

WALNUT DELIGHT

1 small loaf cake, cut into 1/2 inch slices
32 marshmallows, halved
1 cup drained, crushed pineapple
1/2 cup syrup from crushed pineapple
1/2 cup whipping cream
1/2 cup coarsely chopped walnuts
dash of salt.

Arrange cake slices in the bottom of a loaf cake pan, cut side down. Melt marshmallows in pineapple syrup in top of double boiler, stirring occasionally. Add salt. Cool until partly thickened, then beat with rotary beater. Fold in pineapple. Whip cream until stiff, fold into marshmallow and pineapple mixture. Spread over cake slices and top with nuts. Add a second layer of cake, marshmallow mixture and nuts. Chill over night. Serves 6 to 8.

Five species of tuna are included in the California catch.

School Library Receives A Desk

Robert Culp, woodshop instructor, at Campbell high school has set up a check out desk which he designed and built for the school library. It replaces two tables. It is a high, modern, light-colored three-way counter which permits speedier check-outs, quick record service and added comfort for student librarians serving under Miss Muriel Carson, school librarian.

Miss Carson said yesterday that this is the kind of desk the library has needed for many years and that one like it will be needed at the new Camden high school.

Much of the furniture for the new school's library has already been constructed in the school's workshop.

The new library plans have been accepted by the State Board of Education. Miss Carson spends much of the summer working on new instructional material plans.

Shelves in Campbell High School's library have added many helpful and interesting titles. Over the Summer the school added over three hundred copies of single copy fiction and non-fiction books and over three thousand new textbooks including new titles in life science, Spanish, and U. S. History, as well as hundreds of reference sources which should prove to be mighty helpful to term paper writers in U. S. and World history next Spring.

For another week, Miss Carson will still be busily training twenty-one new student librarians to serve more students than Campbell High School has ever enrolled. This year's crew already has two apparent advantages over all previous service groups. Campbell High's students use the library before school, in lieu of study hall, in class groups, and after school. In addition, every new student and all the freshmen will enjoy library training courses between September 27-October 29 as part of their work in English. For two weeks in November, the juniors will be writing biographies in the library, and then, in the weeks before Christmas, all the freshmen will be working on their autobiographies as part of their class work in Freshman Orientation Classes. As everyone knows by now, history students monopolize the reference books every Spring as they pour out their life's blood in the composition of original term papers.

Noble Grands Plan Card Party

The Past Noble Grands Club met Thursday evening in the home of Mrs. W. B. Whitmore of W. Campbell Avenue at which time plans for the forthcoming Rebekah card party, on October 16th, were discussed. The Club decided to donate a basket of groceries for a door prize and five dollars to be used toward the buying of other prizes.

Members present at the meeting were Ellen Arnold, Myra Payne, Angela Quetin, Lydia Poindexter, Melba Penhall, Helen Rice, Winnie Grizzle, Dora Bongiovanni, Evelyn Estabrook, Ann Rhine, Lotie Rice, Jennie Lytle, Anna Bachman, Lillian Ohlen, Grace Gardner, Reba Chappell, Virginia Currie, Naomi Farley, Helen Wrigglesworth, and Edith Morley.

Luncheon Honors Mrs. C. C. Byrnes

Mrs. C. C. Byrnes of Rincon Avenue was guest of honor at a luncheon given last Tuesday by Miss Florence Kennedy of 14 Alice Way.

After the luncheon, Mrs. Byrnes was kept entertained until Circle No. 1 of the Women's Society of Christian Service of the Methodist Church could assemble and surprise her with a farewell party and hasty shower. A high point of the afternoon was the reading of an original farewell poem by Mrs. Clara Baldwin to their old friend, Mrs. Byrnes, who will soon be leaving Campbell to make her home in Hayward. Other guests honored during the afternoon were Mrs. Robert Wurfer and Mrs. T. E. Osborne, who have celebrated their Golden Wedding Anniversaries.

Jokers Perform For Quito PTA

"Get Better Acquainted" was the theme for the first meeting of Quito P. T. A.

P. T. A. President, Mrs. E. P. Fox, welcomed the guests and introduced Quito School Principal, Mrs. Dorothy Sutter. Mrs. Sutter then presented the school staff, four of whom are new teachers this year. Mrs. Phyllis Ball, 2nd grade; Miss Jeanne Tenhaeff, 3rd grade; Charles Burton, 4th grade; and Thomas Wilberding, 5th grade.

The Jokers, an accomplished square dance group, gave an excellent performance with Ken Oburn calling.

Fall flowers and colors decorated the refreshment table. The P. T. A. Executive Board did the serving.

McClure Charges State Aides Help Reilly Campaign

Stuart McClure candidate for the Board of Equalization, First District speaking before the Republican Assembly in Campbell, at 540 Old Orchard Road last Friday night charged that some Civil Service employees in the liquor control division are campaigning for Reilly on government time and at government expense.

McClure emphasized that these employees represented only a small clique of Reilly partisans and that the majority of Board of Equalization employees are honest, hard-working, conscientious workers were trying to do a good job.

"In fact the majority decry the corrupt practices of the present administration," McClure said. "They are tired of the rule of fear and favoritism, and want to administer the law impartially, free from political pressure."

McClure stated that an informal poll among the Board of Equalization employees indicated the majority favor his candidacy.

General Chairman of the McClure campaign is Robert D. Lapham retired diplomat and former mayor of San Francisco. Mrs. David Huerngardt of Atherton, is Women's Chairman.

LEGAL NOTICE

ORDINANCE NO. 60

AN ORDINANCE OF CITY OF CAMPBELL AMENDING ORDINANCE NO. 15 OF SAID CITY, REGULATING TRAFFIC ON PUBLIC STREETS BEING ARTICLE V, ENTITLED PUBLIC SAFETY OF CAMPBELL MUNICIPAL CODE BY ADDING THERETO CHAPTER TWO, PART SIX ENTITLED, "REGULATIONS FOR BICYCLES", PROVIDING FOR LICENSING AND IMPOUNDING OF BICYCLES, AND REGULATING THEIR USE AND EQUIPMENT; AND REPEALING SECTION 13.27 AND SECTION 13.28 OF ORDINANCE NO. 15, AND ENACTING NEW SECTIONS BEARING THE SAME NUMBERS.

The City Council of City of Campbell does ordain as follows: SECTION ONE: That Ordinance No. 15 of City of Campbell regulating traffic on public streets, being Article V entitled Public Safety of Campbell Municipal Code, be and the same is hereby amended by adding Chapter Two Part Six entitled, "Regulations for Bicycles", together with all sections thereunder which are hereby enacted as follows:

CHAPTER TWO, PART SIX

Regulations for Bicycles

Section 13.27. Applicability of Provisions. The provisions of this part shall apply only to bicycles propelled wholly or in part by muscular power having wheels with a diameter of twenty (20) inches or more.

Section 13.28. Effect of Regulations:

(a) It is a misdemeanor for any person to do any act forbidden or fail to perform any act required in this part.

(b) The parent of any child and the guardian of any ward shall not authorize or knowingly permit any such child or ward to violate any of the provisions herein contained.

Section 13.29.1 License Required. No person shall ride or propel a bicycle on any street or upon any public path set aside for the exclusive use of bicycles unless such bicycle has been licensed and a license plate is attached thereto as provided herein.

Section 13.30.1 License Applications, Fees, and Transfer. (a) Application for a bicycle license and license plate shall be made upon a form provided by the City and shall be made to the Chief of Police. An initial fee of ONE (\$1.00) DOLLAR shall be paid to the City before each license is granted. (b) Such License may be transferred when the ownership of said bicycle is transferred, and a fee of FIFTY (\$.50) CENTS shall be paid for the registration of such transfer. (c) If the purchaser or transferee of a bicycle which has been previously licensed hereunder fails to register such transfer within ten (10) days from the date of the said purchase or transfer, he shall then be required to take out a new license and pay a license fee of ONE (\$1.00) DOLLAR, therefore. If the purchaser or transferee of a new or not previously registered bicycle fails to secure a license therefor within ten days of the date of said purchase or transfer, the license fee shall be ONE AND 50/100 (\$1.50) DOLLARS. All license fees and transfer fees collected pursuant to this Chapter shall be paid into the General Fund of the City of Campbell.

Section 13.31.1 Issuance of License. (a) The Chief of Police upon receiving proper application and the license fee therefor is authorized to issue a bicycle license which shall be effective until ownership of said bicycle is changed or transferred pursuant to Section

Mrs. O. Atkinson Claimed By Death

Word has just been received from Professor Bryce Atkinson of Berkeley, of the death of his mother, Mrs. Orill Atkinson last Thursday at her home in Sebastopol following a brief illness.

Older residents of Campbell remember her with love and respect. She arrived in 1903 as the young bride of the Rev. George E. Atkinson who for thirteen years was pastor of the First Congregational Church. Mrs. Atkinson was of a friendly nature and was generous with her work with young people of the church and community.

While in Campbell, her three children, Professor William Bryce, Calista and Orill Minnie were born.

DEBATE CLUB PICKS TOPIC FOR NEW YEAR

The Campbell Speech and Debate Club met for the first time last Wednesday night, September 22, at the High School.

The purpose of the meeting was to introduce the High School Debate Topic for the coming year. The topic chosen is "Shall the United States have free trade with other Friendly Nations?"

Those present were last year's president, Orrin Cross, Jim Peterson, Charles Kaffer, and last year's Debate Team, consisting of Everett Avila and Dennis O'Flynn.

The teams plan to meet Los Gatos High School and Fremont High School early in October.

Mr. Peabody, the advisor, urged any interested persons to contact either him or one of the members. Meetings will be every Wednesday night in room 39, at 7:30.

13.30 hereof.

(b) The Chief of Police shall not issue a license for any bicycle when he knows or has reasonable ground to believe that the applicant is not the owner or entitled to the possession of such bicycle.

(c) The Chief of Police shall keep a record of the number of each license, the date issued, the name and address of the person to whom issued, and the number on the frame of the bicycle for which issued, any transfers of said license, and a record of all bicycle license fees collected by him.

Section 13.32.1. Attachment of License Plate. (a) The Chief of Police upon issuing a bicycle license shall also issue a license plate bearing the license number assigned to the bicycle, the name of the City, and the calendar year in which issued.

(b) The Chief of Police shall cause such license plate to be firmly attached to the rear mudguard or frame of the bicycle for which issued in such position as to be plainly visible from the rear.

(c) No person shall remove, destroy, mutilate or alter a license plate from a bicycle during the period for which issued except that said plate may be removed upon a transfer of ownership or in the event the bicycle is dismantled and no longer operated upon any street in this City.

Section 13.33.1. Inspection of Bicycles. The Chief of Police, or an officer assigned such responsibility, shall inspect each bicycle before licensing the same and shall refuse a license for any bicycle which he determines is in unsafe mechanical condition.

Section 13.34.1. Rental Agencies. A rental agency shall not rent or offer any bicycle for rent unless the bicycle is licensed and a license plate is attached thereto as provided herein and such bicycle is equipped with the lamps and other equipment required in this article.

Section 13.35.1. Bicycle Dealers. Every person engaged in the business of buying or selling new or second-hand bicycles shall make a report to the Chief of Police of every bicycle purchased or sold by such dealer, giving the name and address of the person from whom purchased or to whom sold, a description of such bicycle by name or make, the frame number thereof, and the number of license plate, if any, found thereon.

Section 13.36.1. Traffic Laws apply to Persons Riding Bicycles. Every person riding a bicycle upon a roadway shall be granted all of the rights and shall be subject to all of the duties applicable to the driver of a vehicle by the laws of this State declaring rules of the road applicable to vehicles or by the traffic ordinances of this City applicable to the driver of a vehicle, except as to special regulations in this article and except as to those provisions of laws and ordinances which by their nature can have no application.

Section 13.37.1. Riding on Bicycles. (a) No bicycle shall be used to carry more persons at one time than the number for which it is designed and equipped.

Section 13.38.1. Riding on Roadways and Bicycle Paths. (a) Every person operating a bicycle upon a roadway shall ride as near to the right-hand side of

Silver Tea Set For Women's Club

Campbell Country Women's Club opened its fall activities with a luncheon in the club room last Monday.

"Arts in Culture" was the subject presented by Margaret Douglas Chamberlin, former drama instructor of San Jose State College. The hall was decorated in yellow with brass containers to carry the "Golden Age" theme.

Members were entertained with musical selections by Marian Gould, cellist, and Charlene Carmichael, pianist.

Mrs. Ralph Hyde presented the club with a Silver Tea Service, consisting of five pieces and a large tray, which was a gift from Mrs. William N. Lloyd.

Mrs. Mervin Willoughby, chairman of the day, was assisted by Mesdames Ray Wood, Raymond Davis, William Gould, Roy Archibald, Bartley Kilgallen, Walter C. Elkey and Richard Morton.

Next meeting of the Club will be Monday, October 4, with George Stone, assistant Professor of Photography at San Jose State, as guest speaker.

Mrs. Ralph Hyde, chairman of the day, will be assisted by Mesdames G. E. Ninnis, Norman Houge, A. D. Rice, H. M. Shadle, Anne Abraham and J. B. Collins.

Cambrian Church Plans To Be Set Up Here Sunday

Hi-Y SCHEDULE FULL

This year the schedule of the CUHS Hi-Y clubs is filled with new ideas.

The five original clubs: Eta Phi, El-Diablo, El-Oso, Excalibur and Ace, with the possibility of two new clubs, will take part in the numerous activities such as sporting competition between clubs, sponsoring school dances, the annual push cart race, sponsoring booths at the carnival, combined social affairs with the Tri-Y's, weekend trips to Camp Campbell and youth and government, a program similar to Boys' State.

The Hi-Y clubs will also take part in more services for the school this year. They will usher for the home athletic games, work on dance clean-ups and help in collections for local charities.

Each Hi-Y group at Campbell has its own government and officers and also its own economic system. They are completely self-supporting and make their money by paper drives, raffles, cake sales and working in their booth at the carnival.

Freshman Fling Tomorrow Night

The first student body dance of the year, "Freshman Fling", will be held tomorrow night between 9 P. M. and midnight in the girls gymnasium. Theme for the affair is a nautical one. The Art Commission has been working for a week and a half on the wall decorations being put up today by Mr. Canterbury and his crew on the "Ship Ahoy" motif. New and old students may dance free of charge, if they are student body card holders. Special guests will be the freshmen.

All of the chaperones are first year teachers at the high school, and so special provisions are being made to insure a get-acquainted atmosphere.

Chaperones include English teachers, Mrs. Gladys Whitaker, Mrs. Anna Rauer, Miss Audrey Traina, and Mr. Felix Knauth; Life Science Teacher, James Crawford; Arts and Crafts Instructor, Bob Elmore; Algebra teacher, Mrs. Barbara Hunt; Typing Teacher, Mrs. Mildred Oehlmann; Girls' Physical Education leaders, Mrs. Elizabeth Hunter, Miss Joy Kratz, and Mrs. Carolyn Weltzin; Assistant Basketball Coach, Chuck Crampton; Driving Trainer, Jim Iglehart; Driver Education Instructor, Bill Pridgy; and new Orientation teacher, Verdun Romer.

All of the planning and decorating are under the leadership of students Mary Ann Denning and Karla Edsinger under the sponsorship of Canterbury.

Mary Ann Denning and Karla Edsinger are joining the forces of the Social Affairs and Art Commission to make the first dance a memorable one. Others working to make Ship Ahoy long remembered are Ruth Phillips in charge of sign-ups, Ethel Dorman heading the refreshments booth, and Pat Stewart managing the cloakroom.

Campfire Leaders At Training Meet

A group of 17 new Camp Fire Girl leaders of the Campbell-Los Gatos area are attending a series of weekly training meetings at the home of Mrs. Leslie Jauncey, chairman of Campbell District Camp Fire Girls. Supervising the meetings are Mrs. M. Leicester, chairman of the Training Committee for Santa Clara County Council, Mrs. Genie Smith, trainer for Campbell district and Mrs. Gladys Von Felt, trainer for Los Gatos. Campbell leaders attending are the Mesdames B. Creighton, G. Ballantyne, J. Wilcox, D. Gantenbein, B. Coe, H. McLeod, L. Means, Peterson, M. Hurd.

DeMolay To Hold Open Installation

Campbell Chapter, Order of DeMolay will hold its fourth semi-annual Open Installation of Officers on Saturday evening, October 9th, at 8:00 p. m. in the Campbell Grammar School Cafeteria. Joseph "Bud" Feasel is Master Councilor-elect.

GIRLS NOW HAVE AGRICULTURE CLASS

At Campbell High School on Monday through Friday, one may find Miss Childs teaching eight girls about the care and management of farm animals.

This is the third year in which Campbell High has not forgotten its animal loving girls. As before, the class has been kept small so the girls may be easily transported by the station wagon to special livestock events. These field trips to the bull sale, auction, hatchery, and different ranches are usually taken during class time, but on such an occasion as the "Grand National" the girls take Saturday and have a day of fun and education.

C's AND D's DROP DOUBLE HEADER

The Campbell High 10 and 20 basketball teams were thrown for a double loss last Friday, by scores of 30 to 16 and 19 to 16. The 10's being snowed under by an experienced Capuchino D team, dropped the opener 16 to 30. Top scorers for the D's were Itow and Haggard with 5 and 4 points respectively.

20's Nosed Out

The Buc 20's displayed fine defensive play last week, even though dropping their initial contest of the season 19 to 16. The Bucs lead through out the entire contest only to see the Mustangs crawl ahead in the fourth quarter. Ted Kenemoto looked very good for the Bucs, in scoring 6 of the 16 points scored.

WHAT'S DOING
T. T. Cook, Jr., your Telephone District Manager for Campbell

A radio powered by sunlight

For centuries man has dreamed of getting power from the sun. Perhaps you, too, have wondered about it. Well, now it's happened. Bell Telephone Laboratories has invented a solar battery that directly and efficiently turns sunlight into useful amounts of electricity. It's made from an ingredient of common sand. Even at birth, it supplies enough power to run a small radio set (right) or send voices over telephone wires. Much development remains to be done. But the Bell Solar Battery, used with transistors, offers great opportunities for improvement and economies in telephone service. Research like this helps us bring better telephone service to more people at the lowest possible cost. Pacific Telephone works to make your telephone a bigger value every day.

Free booklet for your personal telephone numbers
Here's your handy guide to the local and out-of-town telephone numbers you call most often. By listing numbers you call frequently in this booklet, you'll be able to find them quickly and easily. And when you give the operator the number you want, out-of-town calls go through twice as fast. For a free copy, just call, write, or drop in at our business office.

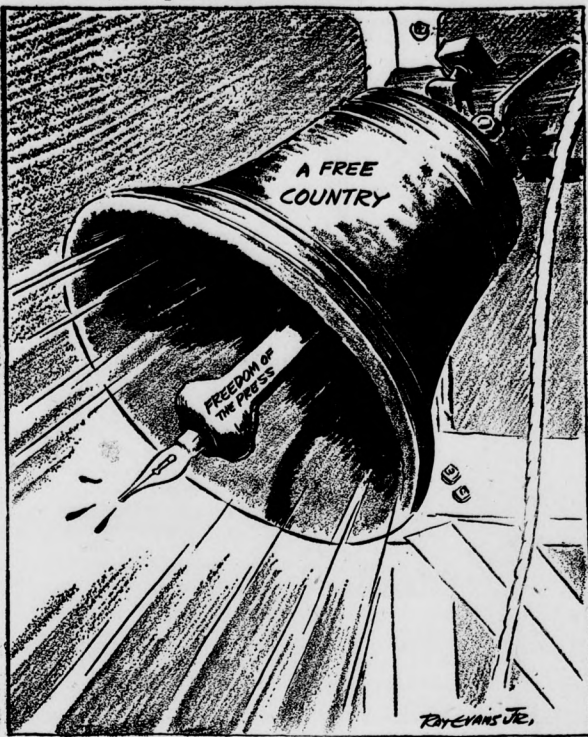

Your Service Representative

Here's a tip that can save you money as well as time. Instead of coming to San Jose to conduct business with us, just pick up your telephone and dial CYpress 2-9000. When our operator answers the telephone, tell her you want to speak to the service representative who handles your account. The operator will ask for your telephone number and connect you with your service representative.

Your service representative is a highly qualified individual who has a complete record of your service and account in her desk. She is prepared to take care of all your telephone needs.

So remember, to save bus fare, gasoline, parking problems or wear and tear on your car, try calling our business office and asking for the service representative that handles your account.

For the payment of your telephone bills only, in Campbell, this can be handled at Clark's Drug Store, 299 E. Campbell Avenue, or can be mailed to San Jose in the envelope enclosed with your bill.

Netops To Visit Vets Hospital

At a meeting of Netops Council No. 247 last Friday conducted by Mrs. Lewis Haller, Pocahontas, Mrs. George Reynolds, veterans welfare chairman, reported that Saturday, October 16, would be the date to visit the Palo Alto Veterans Hospital.

Because of a change in Great Pocahontas, Mrs. Antone Pavlek plans to postpone her official visit. The council voted to ask Mrs. Harold Means, First Great Trustee, to be their representative on October 22.

The annual barbecue of the council's sewing club was held last Sunday in the patio of the home of Mr. and Mrs. Eugene Hodges. Attending the affair were Messrs. and Mesdames George Reynolds with sons Glen and Clifton, Clare Austin and son Douglas, Donald Johnson and son Jerry, C. A. Cole, Silas Fanning, Stan Hohde and daughter Diane, Jess Peters, Forrest Chapman with son Forrest Jr. and daughter Sherry, Eugene Hodges, The Mesdames Bernadette Hunt and daughter Jan, Ray Gilpatrick and daughter Marilyn.

Guests of the club were Mr. and Mrs. David Cunha, the latter being the Deputy of the Council.

Los Gatos Man Wins Land Grant

A Los Gatos man was among the winners in a 1954 land rush to the Coachella Valley last Friday.

He is John Howard Gamble of 266 E. Main Street, Los Gatos. The bureau of Reclamation opened the Federal Land in Coachella Valley to homesteaders, the parcels of land being in Indio, Thermal, Coachella and Mecca and ranging from 20 to 40 acre sites.

Gamble is to appear before the Settlement Examining board to prove his intent to farm the land personally, that he is physically able to do so and that he has \$6000 in cash or other assets with which to operate it. The parcels will be selected in order of which names were drawn, Gamble's name having been the seventh of 12 names drawn.

Lois Plymale Is Betrothed

The engagement of Lois Louise Plymale to Sgt. Glen A. Black, U. S. Army, has been announced by parents of the bride-elect, Mr. and Mrs. Jack E. Plymale of 170 N. Third street, Campbell.

The future bride plans to have a June wedding soon after graduating from Campbell High School, where she is now in her senior year, but no date has been set at the present time.

Glen is the son of Mr. and Mrs. C. H. Black of Clarkton, Missouri. He has recently returned from a 14-month tour of duty in Korea, and is now stationed at Fort Bliss, Texas.

Dover School To Have Card Party

A benefit Whist card party, sponsored by the Dover School, will be held in the Hamilton School Auditorium Wednesday, October 6th, at 7:30 p. m., with proceeds going to furnish the teachers room of the new Dover School.

In a ballot last week, parents voted in favor of a Home and School Club.

Victor Berg To Wed Tracy Girl

The engagement of Gale Baumgartner of Tracy to Victor G. Berg of Campbell, has been announced by the parents of the bride-elect, Mr. and Mrs. Howard Berg, of Campbell, has been announced.

Miss Baumgartner attended Tracy schools and Stockton College for one year before entering San Jose State College where she was graduated in June with a degree in Social Science. She is now employed by the San Joaquin County Welfare Department as a social worker.

Victor Berg is the son of Mr. and Mrs. Guy V. Berg, 850 W. Parr Avenue. He was graduated from Campbell High Schools in 1950 and attended San Jose State College where he graduated in June as a Physical Education major. At present, he has returned to the College to do post graduate work and is employed by Richmond Chase Co. of San Jose. He is affiliated with Theta Epsilon Kappa, Lambda Chi Alpha and National Professional Physical Education fraternities.

Hamilton School To Hold Contest For PTA Members

Hamilton School P. T. A. will meet Monday, October 4, at the School at which time president Donald W. Webber will discuss plans for the coming year.

The P. T. A. is sponsoring a membership drive with a contest between the classes. The prize will be a picnic for the two winners.

Officers elected before the end of the school term: 1st vice president, Mrs. LaVerne Vallenuga; 2nd vice president, Mr. Reginald Gearhart; secretary, Mr. Sara Fischer; financial secretary, Mr. L. Quinsland; treasurer, Mr. A. Christenson; auditor, Mr. Howard Atkinson; parliamentarian, Dr. Robert Jasmine; historian, Mrs. Phyllis Thul.

Chairmen for the various committees announced by the president are: Membership, Mr. Reginald Gearhart and Mrs. B. Burkes; Program, Mrs. LaVerne Vallenuga; Hospitality, Mrs. Barbara English; Room Representative and Contact, Mrs. Mildred Nielsen; Publicity, Phyllis Thul; Ways and Means, Mr. Don Anderson; Parent Education and Publication, Mrs. Gladys Smith; Child Welfare, Helen O'Dell.

Following the meeting members of the faculty will be hostesses, serving their own home baked cakes. Child care will be provided.

Cherry Lane Club Sponsors Cub Pack

Cherry Lane Home and School Club met last Tuesday evening with Cliff Cunha, president, conducting the meeting in which teachers and board members were introduced.

Officers for this year are Eva Weymouth, vice president; Jean Peterson, secretary; Phil Solituri, treasurer; Wayne Tyrell, auditor.

Members approved recommendations of the executive board to buy a primary typewriter, support the School Bond election and to sponsor a Cub pack which is now being formed.

Phil Solituri, treasurer, reported last year's funds were used to purchase a back stop for the baseball diamond and a sandbox with play material for the kindergarten.

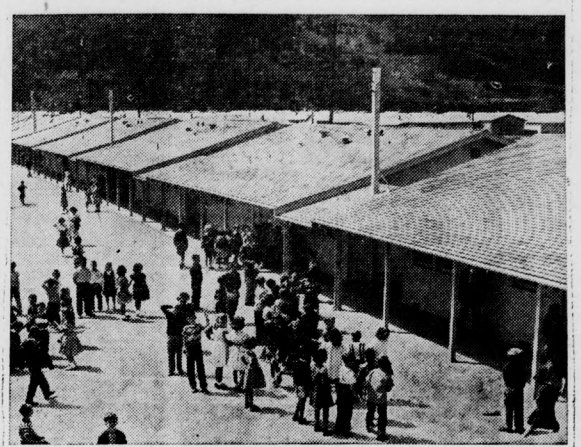

Ruth Williamson, membership chairman, announced winners of the membership contest were Miss Melva Spurling's kindergarten and Mrs. Edith Mette's 2nd grade.

San Jose Couple Buying T'nT Store

Ted and Thelma Solari today announced the sale of their T. N. T. Variety store in Campbell to Carl and Gladys Anderson of San Jose.

The Andersons will take over the store tomorrow. Carl Anderson was formerly employed by the American Can Company of San Jose in the accounting department, and makes his home in Willow Glen. The Andersons have a daughter, Carol, who is now taking nurses training at the Immanuel Hospital School of Nursing in Omaha, Nebraska.

The Solaris say they have no definite plans for the future as yet but expect to take a good long rest and catch up on work to be done around their home on Carlyn Avenue where they will continue to live.

(Below) School is almost like home to the 383 students of the Oddstad School at Linda Mar in San Mateo County. Their classrooms are 11 homes without interior walls—joined together by a covered corridor. The Oddstad School will serve Linda Mar until more conventional educational facilities are built, at which time the school will be converted into 11 homes. The School District is renting the "school classrooms" at cost—about ten cents per child per day—and thereby has eliminated bus transportation expenses and double sessions for the Linda Mar children at the overcrowded Sharp Park School, two miles distant. This unusual idea which is attracting national attention originated with Andres F. Oddstad, Jr., President of Homes by Sterling.

Evening School Offers Course In Short Stories

A short story Writing Course, under the instruction of George Sherman, is being offered in the Adult Education evening classes at the Campbell High School on

Thursday evenings from 7:30 to 9:30 p. m., in room 41.

The course covers study of current stories appearing in current magazines and is open to anyone interested in short-story writing. Discussion will cover types of stories, viewpoints and analysis of possibilities for acceptance by magazines. Last year several persons received encouragement from magazine editors for stories submitted to them.

William Winter To Talk At Los Gatos

William Winter, well known news analyst, is to be speaker on Sunday afternoon, October 24, in the Los Gatos High School auditorium under auspices of Los Gatos Chapter, American Association for United Nations. He was war correspondent on all fronts during World War II returning in 1945 to cover the United Nations Charter conference at San Francisco. Tickets are available at Campbell Variety Store.

ALLEEN COWDERY of the local American Trust, DEANNE BARBERI of Los Gatos and ANN CASCIO of San Jose, flew east to Detroit last Friday night on the first lap of a three-week sight-seeing trip. Before resuming the trip, Alleen spent several days visiting relatives in Warren, Ohio. In Detroit they picked up the new car in which they will continue their trip to Niagara Falls, New York City, Washington D.C., and then home by way of New Orleans.

The GEORGE MILLERS, of 170 North Milton, are welcoming a new addition to their family, BARBARA LOUISE, who is just 8 days old today. Barbara has a sister, Pattie, 7, and a brother Mike, 3.

CHRISTIAN SCIENCE

The infinite allness of God, good, and the consequent unreality of sickness and discord will be stressed at Christian Science services Sunday.

Reading from the King James Version of the Bible and correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy comprise the Lesson-Sermon entitled "Unreality".

That real dominion and power are derived from God is brought out in the Scriptural passages to be read, including the following statement by Paul (II Timothy 1:7): "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind."

From Science and Health the following selections will be among those read (414:21-23): "The Scripture declares, 'The Lord He is God (good); there is none else beside Him'. Even so, harmony is universal, and discord is unreal."

The Golden Text is from Matthew (7:18,19): "A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit. Every tree that bringeth not forth good fruit is hewn down, and cast into the fire."

BASKETBALL NEARLY YEAR-AROUND SPORT AT CAMPBELL HIGH SCHOOL

By Bob Olson

The bounce of the basketball, the whistle of the referee, and the sound of the quarter buzzer may be heard today if you pass the high school boys' gymnasium. The C and D basketball season is now in full swing with what the high schools calls the 10's and 20's already playing one or two games a week and practicing every other day after school between 2:40 and 5:00. Tuesday afternoon, for example, the Bucs entertained San Jose's C's and D's in two home contests, and next Thursday they'll trek over to Los Gatos High for two games that afternoon.

Team physician Dr. Robert Wade, examined over forty athletes of the "court and hoop" variety last week. The "tens" are already out to better the record of last season's freshmen, who were the talk of the junior league when they captured six out of seven contests in a manner that one opposing coach labeled "indefatigable and unstoppable". Last year's twenties weren't quite as affirmative, but they won more than they lost, sporting a good four-three record by season's end in December. Some of the performers from last year's squads will be returning to the 10's and 20's while others will move up to the thirties or varsity fives.

Head Basketball Coach, Bert Robinson, tells us that this will be a building year for all of his court squads. "We'll all begin to realize how valuable those fellows were we called seniors last year," he said. "The school's football, track, baseball squads as well as our basketball teams are going to suffer by their loss," he continued.

Robinson, this season, has the best assistant coach he's ever had helping him at Campbell High. Coach Chuck Crampton is a San Jose State College graduate. The Spartans built a whole team and offense around him a few seasons ago. Crampton is remembered in college for his speed, coordination, and ball-stealing. His unusual height made him a persistent threat and his dribbling was the greatest in the conference. Crampton already knows many Campbell High faculty members; he played on the same San Jose Spartan football squad as Buc track coach, Junior Morgan. Crampton is a real addition to the local secondary school staff for he teaches Drive Education and Driver Training all day and then coaches every night

after school, as well. He is the father of two little "athletes of tomorrow" which he hardly sees any more, at least in their waking hours.

The 1954 C and D Basketball schedule follows:

Thursday, October 14th at Fremont
Thursday, October 21st Live Oak HOME
Tuesday, October 26th San Lorenzo HOME

Moorpark School To Be Setting For Scout Camporee

A camporee is to be held at the Moorpark School on Saturday and Sunday, October 9-10 by boy scouts of the Campbell district. Beginning with tent pitching at designated places, the camporee is to cover most phases of scouting along with special troop demonstrations in camp craft scheduled for Saturday afternoon.

Among demonstrations planned will be food preservation, cooking fires, camp sanitation, camp gadgets and temporary shelters.

On Sunday there will be church services for all scouts and the final judging and presentation of awards. Throughout the entire period of the camporee, scouts are to be judged on preparedness for the outing, on all phases of camping and on scout-like conduct.

The demonstration serves as a training medium for scouts and as an opportunity for parents and others to observe the scouts in action. The monthly round table for scout leaders is to be in the scout hall Monday evening at which time the camporee at Moorpark the following week end will be discussed, along with the November program.

BUZZ FREITAS OF Campbell, team captain and catcher for the 51st Field Artillery Battalion is shown accepting a cup in behalf of his team from Major General Wright for winning the 6th army softball title. The team won 33 and lost 3 games in the season, Freitas being the circuit's leading hitter with a .480 average. At Campbell high school, Freitas was battery mate for Johnny Oldham.

CAMPBELL BUCS TO FACE CASTLEMONT IN OAKLAND

Tomorrow afternoon, in Oakland, Jim Muir's 1954 Buccaneer grid squad begins the defense of its S. C. V. A. L. championship against a highly touted Castlemont eleven which outweighs the local boys in the line and is a year ahead of them in backfield experience.

If the Bucs are to hold onto the league flag for another year, five first team men will have to inspire the other twenty-eight aspirants to go all out in the eight encounters. Campbell opens with two "exhibition" tilts. The two openers, against Castlemont tomorrow and Santa Cruz next week should answer some big questions about Campbell's opponents as well as who serves on the local high school's "first unit". At Spartan Stadium, Friday night, James Lick plays a tough San Jose High School eleven in a big inter-city affair. At Sunnyvale tomorrow night the Indians of Fremont host the Willow Glenners. Fremont turned out to be SCVAL Co-champion with last season's Bucs.

And since the experts are all warning us about the claws of the

Cats in Los Gatos, how that high school eleven makes out against Menlo-Atherton tomorrow afternoon is important.

The five Bucs who will probably squad include new men in the form the nucleus for this year's backfield and old men in the line. As good a fullback as Rich Callaway proves to be, that's about as good as our offense can hope to be. Callaway is attempting to fill the shoes left by Big Bill Gregg. Callaway is a lean, speedy, and quick-thinking player on offense or defense. It is difficult to down him; it is impossible to keep him down. It is to be hoped that Callaway's resilience will be accompanied by the passing of our two "different" quarterbacks. If ends Dick Kolte and Tony Schraub can hang onto the long passes of Bob Sutton and the short, quick heaves of Eppie Galego, the Bucs will score.

Built around last year's all SCVAL tackle, Gary Lukehart, and aided by the addition of his even larger brother, Roger, it should be tough, fast, implacable and impenetrable.

San Jose Water Works system to make a pretty fair sized hill if it were all dug up and placed in one big pile in the downtown area.

You know, that's one of the odd things about the waterworks business compared with the railroads, the trucks, and other industries engaged in distribution and transportation. Most of our facilities are buried underground where people can't see them. But they're there—774 miles of pipe to be exact.

Otherwise we wouldn't be able to deliver to our 58,000 customers all the water for their needs from our wells and mountain reservoirs.

Getting back to that "mountain" of pipe, one of our figure experts (Joe Slide-Rule, we call him) has estimated that if we piled all of the pipe in the San Jose Water Works system on South First Street, it would make a mountain 680 feet long, 50 feet wide and 80 feet high. In other words, it would fill South First from Santa Clara to San Fernando. It would also tower up to the ninth floor of the Bank of America Building and to the top of the First National Bank Building across the street.

World Affairs Council Plans Public Debate

Norman A. Stoner, president of the World Affairs Council of San Jose, will conduct a public meeting Thursday at 8 P. M. in the Hester School Auditorium on the Alameda to which Congressman Charles Gubser, Republican candidate for Congress, has been invited to debate several issues of U. S. foreign policy with Paul Birmingham, the Democratic congressional candidate from this district.

Birmingham, who for the last seven years has been Airport Engineer in charge of the development of the San Jose Municipal Airport, also worked as an engineer for the State of Arizona and the U. S. Housing Administration.

Gubser is well known in Congress for his support of the Eisenhower administration, and for his work in trying to get higher wages for postal employees.

Rally Tuesday To Start Campaign For Bruce Allen

Assemblyman Bruce Allen's campaign for re-election rolls into high gear next Tuesday with a barbecue and rally at the Lions Den in San Jose, near Alum Rock Park.

Assemblyman Allen is to talk on key issues before the voters.

Emerson "Doc" Arends and Laurence Hill will represent the local delegation at the rally.

Arends, co-owner of the Campbell Lumber Co., is president of the Campbell Rotary Club and a member of Campbell Union High School Board of Trustees. He is also past president of San Jose State College Alumni Association.

Laurence Hill is superintendent of Campbell Union High School District.

Both were active in Allen's successful bid for the Republican nomination earlier this year.

Campaign workers may make reservations for the barbecue before Saturday by calling headquarters, CYpress 4-4525.

Campbell Ladies Return From GOP Meet In South

Two Campbell women have just returned from a convention of the National Federation of Republican Women held at the Biltmore Hotel, in Los Angeles, September 21, 22 and 23. They are Mrs. H. F. Whistler of 115 Budd Avenue, who attended as a delegate, and Mrs. George Ninnis of 543 S. Winchester Road, who was alternate delegate.

Senator Dirksen of Illinois was the principal speaker at the convention which was conducted by Mrs. Nora Kearns, national president.

While there, they heard President Eisenhower speak to the Nation from Hollywood Bowl, which was sponsored jointly by the National Federation of Republican Women and the Democrats for Eisenhower Club.

Another highlight of their stay was a luncheon given in honor of Mrs. Richard Nixon, wife of the Vice President of the United States.

Paradiso Council PTA Membership Campaign Set Up

At the first Fall meeting of El Paradiso Council, P. T. A., held Thursday at Campbell Grammar School with Mrs. Richard O'Flynn, Council president, presiding, unit presidents were furnished with information and material for the fall membership drive by Mrs. Frank Lima, newly appointed membership chairman. Mrs. George Duncan, recording secretary, will in addition act as secretary to El Paradiso Council.

Mrs. Vince S. Garrod, vice president and program chairman, reported that the November meeting will be on the subject of United Nations Educational, Scientific and Cultural Organization (UNESCO). Details of the November meeting will be announced later.

Comic Books On Program Parker School Meeting

Union District Home and School Club will get off to an enthusiastic start on Thursday, October 7 with a dinner to be served at 6:30 p. m. at Parker school for the mothers and fathers of Union and Parker schools.

Reverend Ernest Tremayne will give a feature talk on the perennial subject, "Funny Books and their Influence on Our Children".

Hot roast beef and mashed potatoes head the 3-course menu.

Notices are being sent home for parents to sign if planning to attend the dinner Oct. 7. It is hoped that as fine an attendance will be maintained as there was at the recent meeting of kindergarten parents at Parker school, when over 200 parents were introduced to the faculty.

The regular monthly meetings of Union District Home and School Club, except for this evening meeting, take place the first Friday afternoon of each month at Parker school.

Moreland Plans Hallowe'en Fete

Frank Lavo, Moreland School principal, introduced the new teachers at a recent meeting of the Moreland PTA, who are: Josephine Starns, 3rd grade, Mary Jean Samsahl, 8th grade, Myrtle Shrewsbury, 7th grade, Robert Brodie, 6th grade, Eleanor Gilbert, remedial reading and Alice Westfall, speech.

Mrs. Orsel Davis, president, conducted the meeting at which plans for a Halloween Carnival were formulated. Mr. Vincent Carter, member of the Board of Trustees, made an interesting talk on yesterday's special election to accept apportionment from the state for the building of a new school on the corner of Bucknall and San Tomas Roads.

Dorothy Palmer, vocal instructor, led the members in singing some lively tunes and refreshments were served by the first grade mothers.

The Rainwear Exchange and Rummage Sale that has been planned by the PTA will be held Saturday at the Oddfellows Hall in Campbell.

YMCA Committee Plans Program

Plans for the Y. M. C. A. program this school year were discussed Tuesday night when the Campbell YMCA committee met at the home of Mr. and Mrs. Larry Newberry, 17 Cypress avenue. Mr. Newberry is the committee chairman.

Club leaders will later meet to coordinate activities in the Santa Clara County area.

The Campbell Community Chest drive is to be on the top of the agenda for both meetings. The YMCA in Campbell is taking an active part in the drive.

Others at the meeting were Mr. and Mrs. Lowell Benson, Mr. and Mrs. Frank Accardi, Mr. and Mrs. Huntley Miller, Mr. and Mrs. Albert Ellis and Mr. and Mrs. Tom Fine.

COACHES LAUD SPIRIT OF CAMPBELL FOOTBALL TEAM

Two coaches from the Campbell High school agreed Tuesday in talks before the Campbell Kiwanis Club that the football team which opens the season with Castlemont at Oakland tomorrow will give a good accounting in every game mainly because of a determination to score and enthusiasm toward the game. Jim Muir, head coach, and Mel Stein, line coach, said that the team has an experienced line and a pair of quarterbacks who might click in plays for long and short gains.

Campbell high has two ends, six feet-three each who are outstanding, and a full-back converted over from the backfield who has lots of bounce and speed.

Coach Muir said that 250 signed up for football, greatest number in the school history, and that 180 are still on the field for training. He said school spirit was excellent and that this may decide whether or not it is to be a 50-50 season. Stein said the line is strong with experienced men who did not allow more than 16-yard gains in any game last year.

Program chairman was Bill Means who said movies of tomorrow's game with Castlemont will be shown at the meeting next Tuesday. C. P. Klassen was awarded a pin for sixteen years of perfect attendance.

Screen Star Has One-time S.J. Show

Agnes Moorehead, in a unique show produced by Paul Gregory and directed by Charles Laughton, will be presented for one night only in Roosevelt Jr. High School auditorium, Thursday evening at 8:30, San Jose.

The illustrious star of radio, screen and theater will present a program of masterworks from the great literary geniuses of our time such as Ring Lardner, Marcel Proust and Rupert Brooke, as well as selections from Shakespeare, de Maupassant and readings from The Bible.

A special feature of the performance will be Miss Moorehead's famous "Sorry, Wrong Number", written especially for her by Lucille Fletcher and heard coast-to-coast on the "Suspense" program ten times.

Sandor Salgo To Lead San Jose City Symphony

San Jose Symphony Women's Auxiliary has formulated plans for the coming season. Mrs. J. Stuart McKee, chairman, has named committee heads to carry on the work of sponsoring the San Jose Symphony and the Junior Symphony.

A reception honoring Sandor Salgo, director of the San Jose Symphony, and Mrs. Salgo will be held October 15 at the home of Mr. and Mrs. George Langlois, 5400 Fairway Drive, San Jose. Mrs. Hoyt Kelley is chairman.

Salgo was guest conductor this summer for famed London Symphony and Halle Symphony in England.

Republican Ladies Meet Wednesday

Campbell Republican Womens' club will meet Wednesday, October 6th, at 10 a. m. in the home of Mrs. G. F. Finkle, 15710 Woodard Road, Los Gatos.

Each member is to bring at least one article to be used for a "Silent Auction".

Speaker for the day will be Bob Davis of Los Altos. This meeting is of special importance because it is the last meeting to be held before the General Election on November 2, and plans will be made for work to be done by precinct workers.

Those wishing to attend and in need of transportation should call FR 8-3625 or FR 8-3409.

REILLY CAMPAIGN LEADERS NAMED

Louis Lurie, wealthy San Francisco leader, Adrian Falk, prominent business man and Henry Doelger, builder are heading the campaign committee seeking reelection in November of George Reilly to the State Board of Equalization. Reilly supports Proposition 3 on the ballot which proposes to separate the liquor law enforcement agency from the board and assign it to a separate agency to be set up by the governor.
